TERMS & CONDITIONS

The Chapter will make every reasonable effort to follow through with the commitments made in the 2022 Sponsorship Program, and it will negotiate a solution in good faith on behalf of the Chapter, Sponsors, and Members. However, given the continuing changes at local, state, and federal levels, the Chapter cannot be held responsible for health and safety restrictions beyond our control.

Regarding "Chapter Events," these are now defined as CEUs, Monthly Meetings, Lunch and Learn events, special annual events (Installation), EP and Student Events, etc., that are promoted by and through the Chapter. Every effort will be made to host these as live events as soon as deemed safe by local agencies. The first right of refusal to host events will be in the following order of sponsorship level: Diamond, Platinum, Gold, Silver, Bronze. No guarantee of hosting an in-person event is made at any level. Permission for the use of Sponsorship level in PR and use of Sponsorship reference, Chapter name, and ASID logo is subject to the prior written approval of Chapter Board of Directors. It must be in accordance with ASID Brand Standards. Additional items may be added to Goodie/Swag Bags by all Chapter Sponsors, and all items are subject to approval by the Chapter Board of Directors.

The sponsorship term begins on the first day of the first month after the contract is signed and California Peninsula ASID receives payment. The term will last for one year.

California Peninsula ASID thanks you for your understanding and patience during these changing times.

ASID is a community of people -- designers, industry representatives, educators, and students committed to interior design

ASID

A Brief History

Founded in 1975, the American Society of Interior Designers (ASID) is the oldest, largest and leading professional organization for interior designers. While the Society has existed for more than 40 years, the rich, vibrant history of the organization dates back further--much further--to the founding of its preceding organizations, the American Institute of Interior Designers (AID) and the National Society of Interior Designers (NSID). ***The History of ASID: 30 Years of Advancing the Interior Design Profession*** was published in 2005 to capture the Society's evolution.

CA Peninsula Chapter

San Francisco Peninsula to Monterey Bay

The CA Peninsula ASID Chapter covers the entire San Francisco Peninsula and includes approximately 400 interior designer members from San Mateo, Santa Clara, Santa Cruz and Monterey counties. These are cutting-edge professionals who maintain the highest level of design standards. They are experts in satisfying diverse client needs while effectively working with established budgets and deadlines.

Our goal is to effectively promote the value of interior design to the general public, related professions and our members through education, community service, and exposure, while advocating the right of interior designers to practice as professionals.

Our Chapter makes this possible through fundraising events, sponsorship, and in-kind donations. All funds are used to engage a variety of professional programs and activities for all members, students, established professionals, and our Industry Partners. We strive to engage our diverse audience.
